The diagram illustrates a mapping or inheritance relationship. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'show_config_bgp.show_bgp_nbr_af_plist_cmd' and the bottom box contains 'show_config_bgp.show_bgp_pg_af_plist_cmd'. On the right, there is a single gray rectangular box with a black border containing the text 'show_config_bgp.show_bgp_cm_n_af_plist_cmd'. Two blue arrows originate from the right side of the two white boxes and point towards the left side of the gray box, indicating that the two left-hand commands are related to or mapped to the single command on the right.
