The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'sonic_cli_stp.process' followed by '_stp_show_inconsistentports_cmd' on the next line. The right box is gray with a black border and contains the text 'sonic_cli_stp.show' followed by '_stp_inconsistentports' on the next line. A dark blue arrow points from the right side of the left box to the left side of the right box.
